

# Lindy - Rushforth Solar Hot Water Dedication

## ***South Philly Gateway Towers Goes Solar***

Gateway Towers and Lindy Property Management hosted a Rushforth Solar Hot Water dedication in their clubhouse next to the roof top Solar Hot Water installation on 7/30/10. The Rushforth Solar built system has 18 Solar Hot Water panels, a 3,200 gallon basement hot water storage tank and 2 new high efficiency hot water heaters to serve 100 apartments in Building C.

A 2nd Rushforth Solar Hot Water project for Lindy Properties, Fountain Gardens in NE Philly has the largest Solar Hot Water system for an apartment building complex known around Philadelphia.

**Rushforth Solar LLC:** Award winning and certified, Rushforth Solar LLC designs and installs Solar Hot Water for buildings that use lots of hot tap water in the Greater Philadelphia Area.

The **Clubhouse at the Enclave** is a showplace of inspiring modern art. The community overlooks FDR Golf Course, has new Social Club, pool, sauna, fitness centers, tennis.

**Climate and Energy** issues were heard by **Senator Casey** Field Rep and **Congressman Sestak** prepared a statement.
